

THERE IS ONLY ONE PROOF OF ABILITY.

**ACTION.**

Marie von Ebner Eschenbach.

**CONCEPT | STAGING | PRODUCTION**

**EVENT-MANAGEMENT OF ENTERTAINMENT | TECHNICAL PRODUCTION | LOCATION MANAGEMENT | SERVICES**

We plan events.  
- precisely and realistically.

We stage events.  
- creatively and uniquely.

We produce events.  
- entirely and exactly.

Since 1991 we have been turning communication into events.  
Well-known clients use this effect to attract attention and make a lasting impression – on an internal and external, regional, national and international scale..

Our individual project teams consist of event managers, directors, architects, stage managers, technicians, show manager and assistants, musicians and artists. We work systematically from the definition of objectives all the way to on-site implementation.

The highest quality is our top priority!
